BANK RAKYAT SCHOOL OF BUSINESS AND ENTREPRENEURSHIP (BRSBE)

BRSBE was formed with the view that entrepreneurial activity is one of the pillars of a strong and vibrant economy. This unique founding school is dedicated to provide quality education in entrepreneurial leadership in Malaysia. Although big business is extremely vital for economic health and prosperity, strong cadre of SMIs and SMEs is also essential to ensure a diverse economy and to provide the required support to large enterprises and the community. BRSBE recognises the fact that most of wealth accumulation is by starting one's own business, and that great products and services begin with a single idea. Many aspiring entrepreneurs lack the knowledge and skills to convert their ideas into working solutions and practical businesses. UNIRAZAK's collaborations with its various partners grant its graduates exemptions for various professional certifications. Students are exposed to a variety of learning approaches provided by a team of well qualified and experienced academics and professionals in various areas of entrepreneurship, business and management-related fields. BRSBE is best known for being the first of its kind to be accredited by CPA Australia for Bachelor of Accounting (Honours), along with other business programmes like Bachelor of Business Management (Entrepreneurship)(Honours), Bachelor of Business Administration (Islamic Banking & Finance)(Honours) and Bachelor of Taxation (Honours).
