Graduate School of Business (GSB) helps to realize the university's aspiration to be a centre that provides high quality education and training of managerial leaders with internationally acclaimed recognitions and accreditations. As a centre of excellence in postgraduate business education, GSB specializes in providing business and management related programmes which are relevant and purposeful in meeting the current and future needs of the industry. The programmes are designed to provide real world practical learning experiences that incorporate both hard and soft skills as well as to be intellectually stimulating with well-grounded theories on business and management. GSB is home to a wide variety of specialised postgraduate academic programmes that set themselves apart from the staple programme offerings found at many universities. Such programmes include Master in Management, the first MBA (Online) in SEA with secured anti-cheating Virtual Exam Centre and specialized MBAs accredited by Chartered Manager Institute (CMI), United Kingdom (UK) like MBA (Leadership), MBA (Services Management) and MBA (Retail and Hypermarket). With CMI Programmes, graduates will be certified up to Level 7 Chartered Manager status, the first ever in Malaysia. We also offer research programmes such as Master of Philosophy (MPhil) and Doctor of Philosophy.
