

DOCTOR OF PHILOSOPHY IN EDUCATION

KPT/JPS/N/140/8/0026)01/27(MQA/PA.1300)11/24

UNIRAZAK's Doctor of Philosophy in Education programme aims to produce graduates with knowledge, skills and capabilities to become high quality independent researchers and scholars in specific areas of education. Students will be exposed to key competencies in developing critical, innovative and novel research ideas and in establishing sound theoretical frameworks, rigorous research methodologies and meaningful contributions to the body of knowledge in education fields. Students will also have the opportunity to participate in national and international research activities and contribute to publications and professional learning communities. This programme will also feature digital applications and platforms that allow students to interact and collaborate with peers through an online community site or virtual environment, simultaneously building technology skills that are essential for leading research and learning in the classroom.

SEH is committed in providing a coherent, developmental-based teacher education programmes that prepare potential students to establish and work within the teaching and learning communities which helps to maximize their own potentials and the potentials of their future students. The programmes offered by SEH promote collaborative learning and critical reflection as a way to develop a community of life-long learners who can respect diverse perspectives, make informed decisions, and be responsive to the changing needs of individuals in our society. All of our programmes are designed based on the philosophy that knowledge is power and every child deserves to be taught ethically by quality professionals and teachers who believe that all children are capable of learning. Thus, the goal of the school is to ensure graduates acquire professional knowledge, develop professional skills, and exhibit dispositions that they will need in order to be effective teachers as well as contributing members of the society. SEH offers pertinent programmes in education and language studies that prepare its graduates to accept, honour and enhance the diversity of learners and discover their teacher persona through reflection and progressive field experiences. The programmes offered are Diploma in Early Childhood Education, Bachelor of Education (Early Childhood Education) (Honours), Bachelor of Education (Honours), Bachelor of English (Honours), Master of Education (TESL), Master in Early Childhood Education and Doctor of Philosophy in Education.
